In Special Remembrance —

GOD HATH NOT PROMISED
SKIES ALWAYS BLUE,

FLOWER-STREWN PATHWAYS
ALL OUR LIVES THROUGH,

GOD HATH NOT PROMISED
SUN WITHOUT RAIN,

JOY WITHOUT SORROW
PEACE WITHOUT PAIN.

BUT GOD HATH PROMISED
STRENGTH FOR THE DAY,

REST FOR THE LABOR,
LIGHT FOR THE WAY,

GRACE FOR THE TRIALS,
HELP FROM ABOVE,

UNFAILING SYMPATHY,
UNDYING LOVE.

We may not always realize
The time that she spends
Working hard 'til late at night,
Even after our day ends.

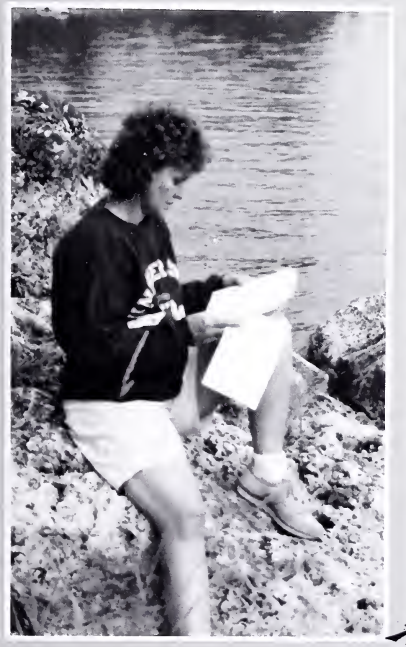

Teaching her students
All that she knows
Bringing out the best
So we all can grow

Her days are filled with knowledge,
Giving to each and every one
Knowledge to shape and form us;
This, a process you have begun.

We may not know it yet,
But we will in the long run,
That it was you,
That helped us get the job done.

The 1990 Rayder *Yearbook is dedicated to Mrs. Elizabeth Henne*

Student Government

Girl's State

Every June, 546 girls from all over Michigan attend Girl's State, a nine day simulation of state, county, and local government. The state is divided into counties, with three cities in each county. By the end of the nine days, almost everyone is elected to a position such as mayor at the city level, drain commissioner at the county level, or as a member of the Supreme Court at the state level. Whether you're interested in a career in government or just want to meet new people, Girl's State has something for everyone.

Attending last June were Kate Christensen and Kristi Avery. Nancy Wood (center of picture) was the co-ordinator.

Boy's State

Each year five junior boys are chosen to go to oy's State held at Michigan State University here they learn how politics and city, county, and ate governments function. They learn by actually tting up their own state with all the governmenl bodies, problems and opportunities. Students ho went to Boy's State last June were Dan Clock, im Holm, David Puhl, Alex Daunter and Matt ibbons.

Candidates for Boy's State: Front Row *(Left to Right): David Puhl, Tim Holm, Chris Dobrowolski,* Back Row *(Left to Right): Louie McKenzie (co-ordinator), Matt Gibbons, Chad DeYoung, Bill Sherman, Thom Harris, Dan Clock, Max Novak (co-ordinator).*

In January the "Concerned Citizens Bulletin" was created by these students (picture at left) to recognize the child watch houses in our community. The project was taken on as a government project in conjunction with the Charlevoix Police Department. The students worked directly with Chief Halverson and McGruff, the "crime fighting dog" to complete the newsletter.

Now that you know where you're going, you should know where to bank when you get there.

Congratulations on your graduation. You should be proud of your achievement.

We are proud of you, too. And we'd like to take this opportunity to introduce you to the First of America family of banks.

We have over 350 banking offices in three states, and they are all operated with the same concern for convenient and friendly service that you and your parents are accustomed to.

So if you're moving within Michigan, Illinois or Indiana to go to work or to school, you don't have to feel like a stranger. Just remember, wherever you go in the Midwest, there's probably a First of America bank nearby to serve you.

First of America is dedicated to one simple goal. Helping you get everything you want out of life — today, tomorrow, and for years to come.

Call us. We're glad to help you get started right.

THE HILLS AHEAD

The hills ahead look hard and steep and
high.
Often we behold them with a sigh;
But as we near them, level grows the road,
We find on every slope, with every load,
The climb is not so steep, the top so far.
The hills ahead look harder than they are.

And so it is with troubles, though they
seem so great
That men complain, and fear, and hesitate.
Less difficult the journey than we dreamed;
It never proves as hard as once it seemed.
There never comes a hill, a task, a day,
But, as we near it, easier the way.
